407 Celestino Subdivision,
San Nicolas 3, Bacoor, Cavite

Personal Profile/Career Objectives

Undergraduate Computer Science student specializing in Data Science, with a foundation in Python and Java and a passion for combining technical and creative skills to make a tangible impact. Deeply interested in the ethical application of technology, I aim to demonstrate how data-driven solutions and thoughtful design can support causes like environmental conservation, disaster preparedness, ethical technology, and animal welfare.

Professional Skills

Languages: Python, Java, MySQL
Tech: VSCode, MS Office
Data Analysis and Visualization:
Altair AI Studio, Power BI
